Youth Event for Young Women Singers!

Young singers, between the ages of 12-25, are invited to participate in this one day, a Cappella workshop! Three songs will be taught throughout the day, ending with an entertaining show!!

• **Laura Russell**, assistant director of Royal River Chorus and 17 year Sweet Adeline veteran, will provide skilled directing. Laura is excited to work with this year's YWIH Chorus for a day of fun, music, and friendship!

- 2017 13th Place International Quartet Champions, **Voce** will serve as our teaching quartet and demonstrate vocal production skills throughout the day.

Spread our joy for a Cappella singing in the barbershop style!

- Bring a lunch or buy from the hotel a la carte menu
 - Wear comfy clothes and shoes for the day
 - Bring water... staying hydrated is crucial
- Perform with friends, old and new, at the end of this song-filled day
- Invite family members to attend the end of day performance
